

Which Do You Prefer?

It is important for reasons of health and practical economy for every housekeeper to ask herself this question:

"Do I prefer a pure baking powder like Royal, made of cream of tartar derived from grapes, or am I willing to use a baking powder made of alum or phosphate, both derived from mineral sources?"

The names of the ingredients printed on the label show whether the kind you are now using or any brand, new or old, that may be offered is a genuine cream of tartar powder, or merely a phosphate or alum compound.

Royal Baking Powder contains no alum nor phosphate.

UNION PACIFIC TO TEST ADAMSON LAW

Brings Suit Against Chiefs of Brotherhoods and U. S. Attorneys

Omaha, Neb., Nov. 8.—The Union Pacific railroad company here today filed suit in the federal district court to test the constitutionality of the Adamson eight hour law recently passed by congress.

Thomas S. Allen, United States district attorney, and four local chairmen of Union Pacific brotherhoods are made defendants. The bill alleges that the law is unconstitutional because it is not a proper regulation of interstate commerce, because it violates the fifth amendment to the federal constitution and because it is unworkable as applied to existing conditions under which the trainmen are operating.

THE EASIEST WAY TO END DANDRUFF

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring, using enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.
